

COME TO THE MOVIES!

Over 400 infant children in Yate & Chipping Sodbury took part in Music workshops in March, based on the theme of the movies.

There were a lot of feathers boas and some very smart young men!

Each workshop finished with a sea of feathers to clear up!

Even the teachers dressed up!

Apart from the singing and dancing to songs from Mary Poppins, The Sound of Music, Jungle Book, Men in Black etc. the highlight was the popcorn and squash in the playground afterwards!

Pupils from King Edmund, Chipping Sodbury and Brimsham Green Secondary schools also joined in the fun by providing various instrumental entertainment.

The jazz band from Brimsham Green played music from films including the Flintstones.

Everyday had a yabberdabbersuper day!

Note: Mary Poppins is coming to the stage in September at the Bristol Hippodrome. Tickets are on sale now!
